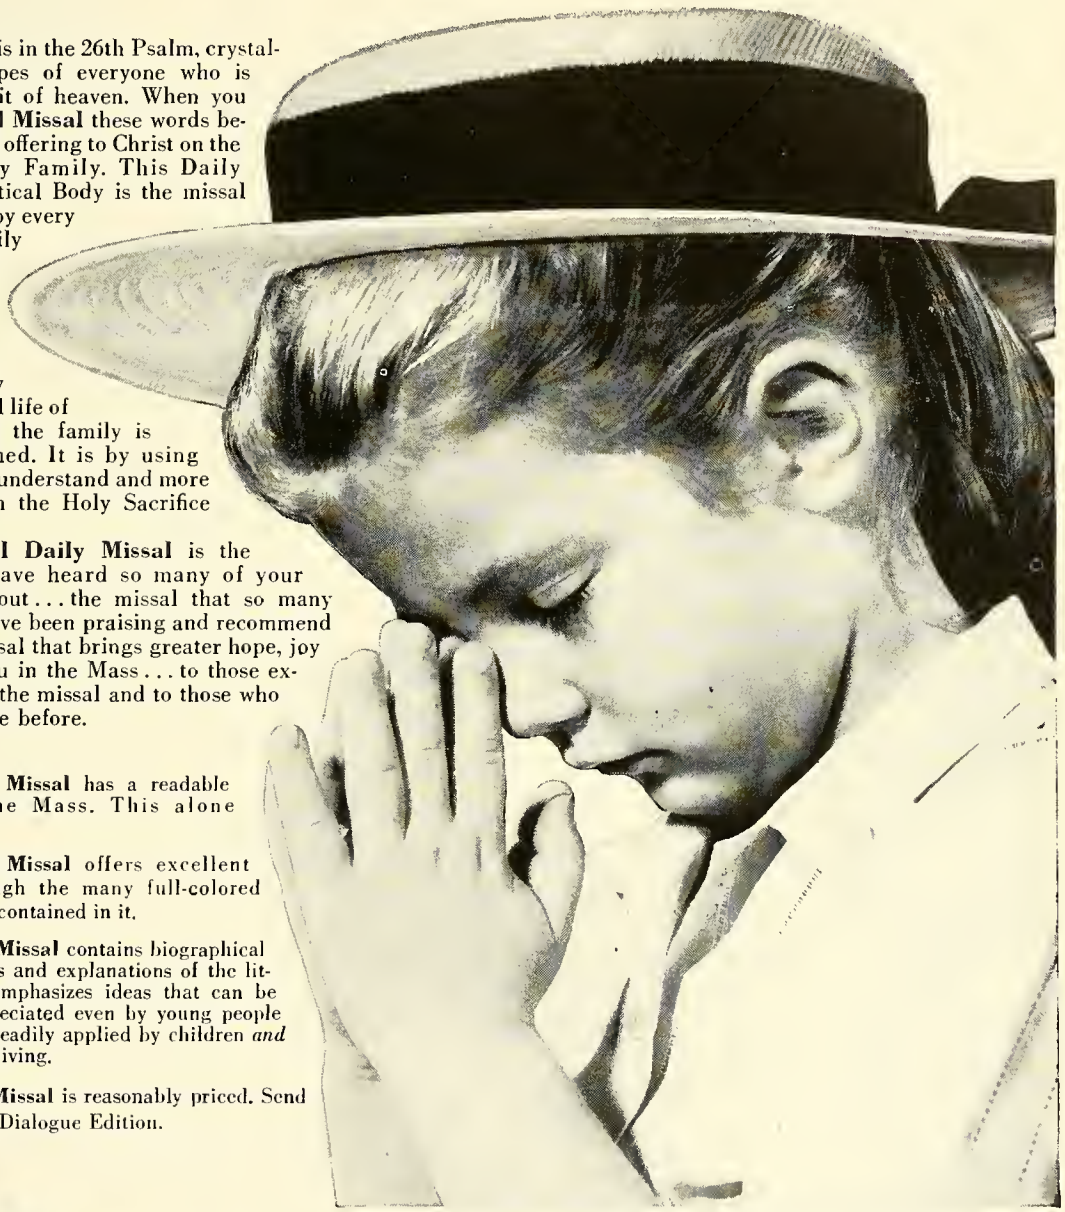
"...to dwell in the house of the Lord all the days of my life."

DAVID SAID this in the 26th Psalm, crystallizing the hopes of everyone who is reaching for his hit of heaven. When you use the **Maryknoll Missal** these words become a part of your offering to Christ on the Feast of the Holy Family. This Daily Missal of the Mystical Body is the missal which can be used by every member of the family as they strive for the perfection attained by the Holy Family. Through the **Maryknoll Daily Missal** the spiritual life of the individual and the family is constantly nourished. It is by using this missal that we understand and more fully participate in the Holy Sacrifice of the Mass.



The Maryknoll Daily Missal is the missal that you have heard so many of your friends talking about... the missal that so many priests and nuns have been praising and recommending. This is the missal that brings greater hope, joy and meaning to you in the Mass... to those experienced in using the missal and to those who have never used one before.

Here's why:

- **The Maryknoll Missal** has a readable translation of the Mass. This alone recommends it.
- **The Maryknoll Missal** offers excellent learning aids through the many full-colored illustrations that are contained in it.
- **The Maryknoll Missal** contains biographical sketches of the saints and explanations of the liturgical seasons. It emphasizes ideas that can be understood and appreciated even by young people — ideas that can be readily applied by children *and* adults in their daily living.
- **The Maryknoll Missal** is reasonably priced. Send for brochures on the Dialogue Edition.
